DCUSA Objectives
Please state which DCUSA Objective(s) will be better facilitated by this CP The promotion of efficiency in the implementation and administration of this Agreement.

Business Justification Including Market Benefits
DCP009 was implemented prior to Section 2B (DCP012). DCP020 was raised as a consequence of DCP012 over-writing some of the text within the definitions of DCUSA and provides links to Section 2B, but does not fully reflect the impact that DCP009 would have had if it was implemented in advance of DCP009. It was recognised by the DCP012 working group that should DCP009 be accepted, this section of DCUSA would need to be further impacted.
