Code Administrators Code of Practice (CACoP) Forum Headline Report

1. Synopsis

1.1 This report sets out the key headlines from the CACoP Forum meeting held on 20 October 2026 via Microsoft Teams.

2. Workplan Update

CACoP Principles

2.1 It was noted that the updated CACoP Principles had been submitted to Ofgem and noted that modification prioritisation may be considered as part of a future review.

CACoP Stakeholder Survey

2.2 Members received a comprehensive overview of the results of the 2026 CACoP Stakeholder Survey. It was noted that 57 responses across 9 industry codes had been received, although some codes had very few or no responses.

- **27 October** – Individual code Reports and overall CACoP Stakeholder Survey Results shared by NESO
- **27 October to 3 November** – Forum members to review and provide comment. This is also an opportunity to provide a statement from each code.
- **4 November to 10 November** – Reports updated and finalised
- **10 November** – Papers day: final papers shared
- **17 November** – Forum meeting for final review and sign-off
