Change Proposal Intent

Please set out the intent of the CP and the issue it is seeking to address

The intent of this proposal is to introduce new Schedule that outlines the scope, core requirements and data provision method of the "Alternative Solution" which will enable portfolio billing to be implemented on April 1st 2010 as per the requirements of the CDCM.

Business Justification & Market Benefits

This CP provides firm guidance on the 'Alternative Solution' that allows Portfolio Billing to proceed on 1st April 2010 as outlined in the CDCM. The market benefits of the CDCM are available from papers associated with that project.

Proposed Implementation Date

Please specify and give a reason if proposed date is outside the release schedule (February / June / November)

1st April 2010, as per the License requirement for compliance with CDCM.

Proposed Solution

Please insert proposed change marked legal drafting here. The Change Proposal Intent will take precedence in the event of any inconsistency

The drafting for the Schedule is being developed at present by members of the DNO / IDNO Group and will be submitted to the Working Group established by the Panel to assess and develop the CP.

DCUSA Objectives

Please state which DCUSA Objective(s) will be better facilitated by this CP and give supporting reasons

ALL Objectives are better facilitated in ESPE's opinion.

1. The development, maintenance and operation by the DNO Parties and IDNO Parties of efficient, co-ordinated, and economical Distribution Networks;
2. The facilitation of effective competition in the generation and supply of electricity and (so far as is consistent therewith) the promotion of such competition in the sale, distribution and purchase of electricity;
3. The efficient discharge by the DNO Parties and IDNO Parties of obligations imposed upon them in their Distribution Licences; and
4. The promotion of efficiency in the implementation and administration of this Agreement.
