Amend Clause 9.5.2

9.5.2 Clauses 17.3 (Obligation to Include National Terms of Connection Wording in Contracts), 18.1 (Provision of Use of System), 19.1 and 19.2 (Charges), 24 (Security Cover), 25 (Energisation, De-Energisation and Re-Energisation), 26.1 (Compliance with the Distribution Code), 27.1 (Compliance with MOCOPA), 30.5 to 30.12 (inclusive) (Dangerous Incidents and Advance Notice of Interruptions and Damage or Interference), 31.1 (Demand Control), 33.1 to 33.2 (inclusive) (Compensation Under Guaranteed Performance Standards), ~~and~~ 35A ([Company](#) Provision of Cost Information), [and 35B \(User Provision of Cost Information\)](#);

Amend Title of Clause 35A¹

35A. [COMPANY](#) PROVISION OF COST INFORMATION

Add New Clause 35B²

35B. USER PROVISION OF COST INFORMATION

[35B.1 This Clause 35B shall only apply where the User is a relevant Supplier Party.](#)

[35B.2 A relevant Supplier Party is a Supplier Party that, at the time it is obliged to submit data pursuant to this Clause 35B, is Registered in respect of more than one million Metering Points under the MRA \(being, notwithstanding Clause 15, assessed nationally on the basis of all Metering Points for which the User is Registered, not just the Metering Points associated with the Company's Distribution System\).](#)

¹ If the Change Proposal is successful, the Secretariat will update the contents page to reflect this change of clause title.

² If the Change Proposal is successful, the Secretariat will update the contents page to include this new clause.

35B.3 By the fifth Working Day of April, July, October and January in each year, the User shall complete a copy of table 3 in Schedule 15 and send the completed table to the Secretariat.

35B.4 On each occasion that the User sends a completed table to the Secretariat pursuant to Clause 35B.3, the User shall also send an accompanying written commentary to assist in the understanding of the data presented within the table (including an explanation of the reasons behind any changes made to estimates since the last such table was prepared). Where no changes have been made since the last submission, the User may give notice to the Secretariat confirming that to be the case, instead of submitting a revised table.

35B.5 The Secretariat shall, within three Working Days of receiving the table and commentary (or notice confirming no change) provided pursuant to this Clause 35A, send a copy of such table and commentary (or notice) to each DNO Party.

35B.6 The Company shall (where it is a DNO Party) take into account the information contained within the tables and commentaries provided pursuant to this Clause 35B in providing cost information pursuant to Clause 35A (Company Provision of Cost Information).

35B.7 For the avoidance of doubt, the information provided to the Company pursuant to this Clause 35B is subject to Clause 34 (Confidentiality Restrictions on the Company). The Company shall only use such information for purposes related to forecasting and setting Use of System Charges, and the Company shall not publish such data or disclose it otherwise than in accordance with Clause 34.

.....

Amend Schedule 15

1.2 The estimates made by the Company or the User in completing the tables set out in this Schedule shall be based on such information as is reasonably available to the Company or the User (respectively) at the time of such

estimate (it being acknowledged that such estimates may be subject to revision from time to time).

- 1.3 The terms used in the second column of table 1 below are to have the meanings ascribed to them in the special conditions (CRCs) of the Company's Distribution Licence. The Company is to complete the subsequent columns with the corresponding value for such term and each Regulatory Year, as provided by the Company's Licence (or, where no such value is provided, with the Company's best estimate of such value on the basis of stated assumptions to be outlined in the final column of that table).

1.4 The terms used in the first column of table 3 correspond to the applicable Profile Class (as defined in the BSC) set out in the second column, or (where no Profile Class is given) are distinguished on the basis of whether the connections are LV or HV (as defined in Schedule 16 (Common Distribution Charging Methodology)).

- 1.45 Words and expressions not otherwise defined in this Agreement or this Schedule shall have the meanings given to them in the special conditions (CRCs) of the Company's Distribution Licence.

.....
