			promotion of efficiency in the implementation and administration of this Agreement. (In line with the working group's findings.)	
Northern Powergrid (Northeast) Ltd	Accept	Accept	General Objective Four is better facilitated by this CP because it will make the DCUSA administration process more effective, reducing time to prepare and review documentation for DCUSA Panel meetings and providing more flexibility to the DCUSA Panel when managing change. It will also place an obligation on the Working Group to manage the change process which should result in a more accountable process.	None
