

Amend paragraph 17.2 in Schedules 17 and 18 as follows:

17.2 Where a customer demonstrates with written evidence to the DNO Party (or where the DNO Party has written evidence) that the customer (or its predecessors) made a capitalised O&M payment in respect of a connection to the DNO Party's network, and the period over which the O&M payment was capitalised remains unexpired, then the import fixed charge will be calculated as set out below (and the calculation for the import fixed charge in paragraph 17.1 will not apply).

The sole use assets will be split between those where capitalised O&M has been paid and those where it has not, and the fixed charge will be derived as follows:

$$p/\text{day} = \frac{((\text{direct cost} \times \text{DOC rate} + \text{network rates} \times \text{NR rate}) \times \text{SUA MEAVU}) + (\text{network rates} \times \text{NR rate} \times \text{SUA MEAVP})}{(\text{days in Charging Year}) \times 100}$$

Where

DOC rate is the direct operating costs contribution rate in per cent

NR rate is the network rates contribution rate in per cent

~~Where~~—SUA MEAVU means the Modern Equivalent Asset Value of Sole Use Assets where capitalised O&M has not been paid (or the period over which it was to be capitalised has expired)

~~;~~ ~~and~~—SUA MEAVP means the Modern Equivalent Asset Value of Sole Use Assets where capitalised O&M has been paid (and the period over which it was to be capitalised has not expired).
