

**DCP 265 Draft Legal Text**

**High Cost Cap/Voltage Rule Precedence - revision to Schedule 22 of the DCUSA  
(the Common Connection Charging Methodology)**

**Amend paragraph 1.15 of Schedule 22 as follows:**

- 1.15 For generation connections only, Reinforcement costs in excess of the high-cost project threshold of £200/kW shall be charged to you in full as a Connection Charge. [Where both this paragraph 1.15 and paragraph 1.30 below apply to a generation connection, the provisions of paragraph 1.30 shall take precedence.](#)
