<b>SUPPLIER PARTIES</b>				
British Gas	Accept	Accept	We agree that DCP271 will better facilitate General Objective 4 by introducing the ability for Suppliers to purchase additional Hunter facilities. Supply businesses are organised differently internally and use the Hunter system to a greater and lesser extent. The opportunity to procure additional Hunter facilities will aid Suppliers who have different internal teams that need access to Hunter to carry out their licence obligations.	No comments provided
E. ON	Accept	Accept	We believe that this CP better facilities DCSUA objective 4 as it will aid suppliers to meet licence obligations	No comments provided

npower	Accept	Accept	This change promotes the efficiency in the implementation and administration of the DCUSA.	None
Scottish Power Energy Retail Limited	Accept	Accept	DCUSA objective 4 Assist Suppliers to procurement additional Hunter Licenses in line with their business needs and license conditions.	No comments provided
