## Smart Meter Installs

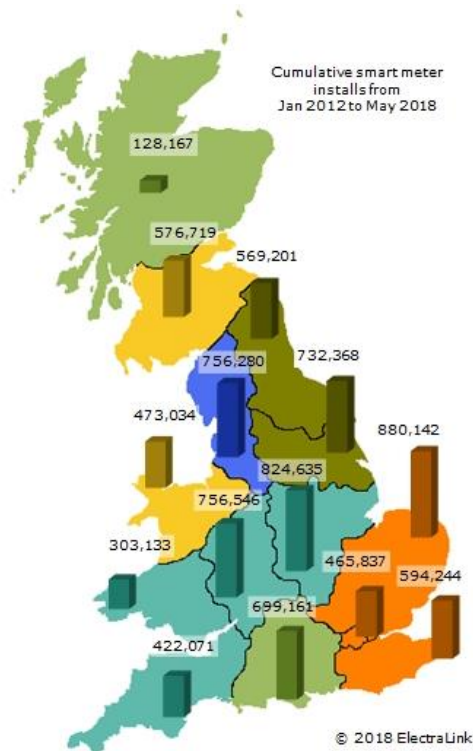

This paper provides an overview of the cumulative smart meter installs for May 2018.

### 1 Overview

- 1.1 ElectraLink currently publishes an extract of smart meter installs on its website and is able to provide a comprehensive market-wide dataset covering meter installations, DNO and site visit issues undertaken by all Suppliers for electricity installs going back to April 2012. The graph below shows the smart meter installs for May 2018, which indicates that **273,142** SMETS meter were installed.

- 1.2 The graph below shows the cumulative smart meter installs from January 2012 to May 2018, which indicates that **8.181,538** SMETS meters have been installed:

## 2 Recommendations

- 2.1 The IWG is invited to:
