

ETTOS Working Group

Paper Title	ETTOS Contract Change Notification
Meeting Date	14 June 2016
Purpose of Paper	For Decision
Synopsis	This paper introduces four Contract Change Notifications.

1 INTRODUCTION

- 1.1 Four Contract Change Notifications (CCNs) have been raised by Crimestoppers to address issues identified since the ETTOS Contract was signed. The four CNNs are:
- ETTOS 001 – Process for contacting Emergency Services
 - ETTOS 002 – Increase in Number of User Permissions
 - ETTOS 003 – Gas Tip-off Dissemination Timeframe
 - ETTOS 004 – Secure Email Alerts
- 1.2 Due to the urgency of ETTOS 002 in order to avoid delays in the setup of user accounts for the secure email service, this CCN has been submitted to the SPAA and DCUSA Boards for ex committee decision and is therefore included here for information only.
- 1.3 The ETTOS Working Group is invited to review the remaining CCNs, ETTOS 001, ETTOS 003 and ETTOS 004, and recommend to the SPAA EC and DCUSA Panel for approval.

2 RECOMMEDATION

- 2.1 The ETTOS Working Group is invited to:
- RECOMMEND approval of CCNs ETTOS 001, ETOS 003 and ETTOS 004 to the SPAA EC and DCUSA Panel.
