Housekeeping Log Summary Paper

1. Synopsis

- 1.1 The DCUSA Panel has indicated a number of areas within the DCUSA that require housekeeping changes. This paper summarises a progression of those actions and asks the Panel to approve new additions to the log and instruct the Secretariat on the next steps. The detail of the housekeeping amendments and their progression to date is recorded in the housekeeping log which acts as Attachment 1 to this paper.

2. Housekeeping Changes

- 2.1 The following new issues have been identified:
- During the DCP 266 Working Groups review of the DCP 266 draft legal text, references within the legal text to IDNO were updated to LDNO and the Working Group noted that if DCP 252 is not approved then a housekeeping change will need to be raised to correct the references. The references were updated in paragraphs 46A and 46B of the new Schedule [x] which is being introduced by DCP 234 in April 2018.
 - The Secretariat has noticed that paragraph 4.1 of Schedule 7 ‘DCUSA Standing Issues Group’ (SIG) states that the Chair “will at all times be from a company that is Party”, however ElectraLink has been providing the Chair for the SIG meetings.

3. Recommendations

- 3.1 The Panel is invited to:
- **NOTE** the content of the paper.
 - **INSTRUCT** the Secretariat on progressing the new and existing housekeeping amendments.
