Housekeeping Log Summary Paper

1. Synopsis

- 1.1 The DCUSA Panel has indicated a number of areas within the DCUSA that require housekeeping changes. This paper summarises a progression of those actions and asks the Panel to approve new additions to the log and instruct the Secretariat on the next steps. The detail of the housekeeping amendments and their progression to date is recorded in the housekeeping log which acts as Attachment 1 to this paper.

2. Identified Housekeeping Items

- 2.1 It is noted that the Secretariat has added one new housekeeping item (113) to the log as was agreed during the Panel meeting on 17 April 2019.
- 2.2 The Secretariat recommends that housekeeping items 105-111 are removed from the log as these were picked up by DCP 337 'Resolution of Housekeeping Items' which Parties voted to accept as was set out in a Change Declaration issued on 16 April 2019. DCP 337 will be implemented in the 27 June 2019 DCUSA release.

3. Recommendations

- 3.1 The Panel is invited to:
- **NOTE** the contents of the paper; and
 - **INSTRUCT** the Secretariat on any next steps to correct the housekeeping items contained in the log.

4. Attachments

- Attachment 1 – Housekeeping Log
