DCUSA Monthly Horizon Scan

1. Synopsis

- 1.1 At the November 2017 DCUSA Panel meeting, the Panel discussed the merit of taking the Monitoring Activities Log out of the Panel meeting minutes and using it as a basis for the Horizon Scan.
- 1.2 In order to address this, ElectraLink have provided a draft Horizon Scan, including a 'background' tab which includes the Monitoring Activities Log.
- 1.3 As agreed at the last Panel meeting, it is envisioned that this will be a standing agenda item provided on a monthly basis, and once a quarter the Panel will be asked to approve the Horizon Scan items for submission to the quarterly CACoP submissions.

2. Recommendations

- 2.1 The DCUSA Panel is invited to:
 - **DECIDE** on whether the DCUA Monthly Horizon Scan should be adopted.
