No.	Title	Summary of Issue	Originator	Date Raised	Status
97	Correction of Clause 42.14 to 42.13 and corresponding references in Clause 42.13.1 and in the Nominated Calculation Agent definition.	During the recent DCP 282 Working Group meeting, Members requested that the secretariat raise the correction of Clause 42.14 to 42.13 and in Clause 42.13.1 amend the references from 42.13 and 42.14 to 42.12 and 42.13 and correct the clause references in the Nominated Calculation Agent definition to the housekeeping log should DCP 282 be rejected.	DCUSA Secretariat	27 January 2017	
99	Amendment of Clause 3.6 'Increase or Decrease in Cover Requirements Pursuant to a Change in the RAV' due to the arrangements introduced by DCP 279 'Linking Credit Cover to the Annual Iteration Process' which changes the calculation of the RAV and introduces a defined methodology using published numbers.	Clause 3.6 in the credit cover requires the Company to give a month's notice of it's intention to use a new value of RAV to calculate the User's Credit Allowance. However, due to the introduction of DCP 279 it is considered superfluous to give a month's notice as DCP 275 specifies a new defined methodology for calculating RAV values using published numbers.
