

DCUSA Panel Open Session

Paper Title	DCUSA Housekeeping Log Summary
Meeting Date	19 November 2014
Purpose of Paper	For Decision
Synopsis	This paper highlights items identified as housekeeping changes to the DCUSA and the progression of the agreed actions.

1 INTRODUCTION

- 1.1 The DCUSA Panel has indicated a number of areas within the DCUSA that require housekeeping changes. This paper summarises a progression of those actions and asks the Panel to approve the next steps.

2 HOUSEKEEPING CHANGES

- 2.1 The detail of the housekeeping amendments and their progression to date is recorded in the housekeeping log which acts as Attachment 1 to this paper.

Housekeeping Amendment No. 65

- 2.2 Housekeeping amendment no. 65 highlights an issue where the Distribution Exemption Holder (DEH) can disconnect a customer on an embedded network who has a Green Deal. DNOs are currently obligated to not disconnect customers with a Green Deal under their electricity Distribution Standard Licence Conditions (SLC). This issue was referred to the DCUSA Standing Issues Group (SIG).

- 2.3 Housekeeping Amendment no. 65 has been formally raised as DIF 043 under the DCUSA SIG. The Secretariat recommends that this Housekeeping issue be closed.

New Housekeeping Amendment

- 2.4 The chair of the DCP 205 'Recovery Of Costs Due To Load And Generation Increases From Existing Customers In RIIO-ED1' Working Group has been approached by an Ofgem representative who requested that the Working Group consider reformatting Schedule 22 as part of its change. The DCP 205 change is on a strict timetable which requires the CP to be submitted in time for implementation in the 01 April 2015 DCUSA release and have therefore deemed that there is insufficient time to also encompass formatting amendments to DCUSA Schedule 22. The DCP 205 Working Group noted that Schedule 22 contains legacy formatting which was in place prior to its implementation in to DCUSA.

- 2.5 The DCP 205 Working Group would like to recommend that the reformatting of DCUSA Schedule 22 be added to the housekeeping log.

3 RECOMMENDATION

- 1.1 The Panel is invited to:
- NOTE the content of the paper;
 - AGREE that Housekeeping Amendment number 65 should be closed; and

- APPROVE the recommendation to add the reformatting of DCUSA Schedule 22 to the Housekeeping log.
