#### Northern Powergrid Derogations

- 1.1 Northern Powergrid submitted derogation applications in respect of Clauses introduced by DCPs 144<sup>1</sup> and 148<sup>2</sup> for the period 01 October 2013 to 31 December 2015. The DCUSA Panel and the Authority granted the derogation until 31 December 2014 with a caveat for extensions to be considered based on quarterly progress reports for implementation of the new billing system. As the billing project progresses and the derogation timescale shortens, the DCUSA Panel requested monthly updates from Northern Powergrid.
