Corporate governance statement

Year ended 31 March 2015

DCUSA is committed to maintaining high standards of corporate governance throughout its activities. The company is a private limited company and is not subject to the corporate governance principles and practice set out in the UK Corporate Governance Code ("Code") as incorporated in the UK Listing Authority Listing Rules. However, the Board has adopted those provisions in the Code on corporate governance and in respect of the conduct of audit committees which the directors consider appropriate for the company.

Going concern

The Board confirms that, after making appropriate enquiries, it is of the opinion that DCUSA Limited has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing these accounts.

General

The Board comprises nine members, all of whom are non-executive. The directors are appointed automatically through their appointment as either Panel Members or Panel Reserves. The Board's principal focus is the ongoing strategic direction, development and operation of DCUSA Limited. The Board is also responsible for the company's overall system of internal controls.

The Board normally meets every month and has constituted a Finance and Audit Committee. All standing committees are formally constituted with terms of reference and are constituted from at least three members of the Board of Directors.

The DCUSA Panel

The Panel is a body established under Clause 5 of the DCUSA Agreement. Clause 5 identifies the objectives, duties and powers of the Panel. The Panel is the representative body for the Parties to the Agreement and undertakes the detailed management and operation of the DCUSA Agreement on behalf of the Parties to the Agreement. All of the Panel Members and Reserves are Directors of DCUSA Limited.

The Panel Members are elected to represent the following Party Categories; Distribution Network Operators, Independent Distribution Network Operators/Offshore Transmission System Operator, Suppliers and Distributed Generators. The Panel normally meets on a monthly basis.

Internal controls

The Board acknowledges its responsibility for the systems of internal control within DCUSA Limited and for ensuring these systems maintain the integrity of accounting records and safeguard its assets. The purpose of these systems is to provide reasonable assurance as to the reliability of financial information and to maintain proper control over income, expenditure, assets and liabilities of DCUSA Limited. No system of control can, however, provide absolute assurance against material misstatement or loss. The Board's review of the effectiveness of DCUSA Limited's systems of internal control is an ongoing process; where controls are not in place the Board agrees and reviews a timetable for implementation.

Statement of directors' responsibilities

Year ended 31 March 2015

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Insofar as the directors are aware:

- there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Year ended 31 March 2015

We have audited the financial statements of DCUSA Limited for the year ended 31 March 2015 which comprise the income and expenditure account, balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
