Notes	The intent of the next Working Group meeting was to discuss the outcomes from the modelling undertaken for DCP 287 with Reckon, however we have now transitioned to the new modelling support provider (CEPA/TNEI). As this is the case, the Working Group believe that the next steps should be to have a face to face meeting to discuss the concerns raised by Reckon. At this meeting the Working Group can further detail what they are aiming to achieve and want to discuss any ideas that CEPA/TNEI have to assist the Working Group with the issues that have been identified.
