

**DCP 277 Draft Legal Text**

**Schedule 25 - Amendment to Appendix 2 Conditionality**

**Amend Schedule 25, Paragraph 8.2 – 8.4 as follows:**

8.2 ~~Not used~~When a Supplier Party populates data fields under Paragraph 8.4, the Supplier Party has the option whether or not to populate those data fields which are described in Appendix 2 as 'preferred' (rather than 'mandatory').

8.3 ~~The data fields which constitute the Consumption File and Outcome File are described in Appendix 2 as 'mandatory' or 'conditional'. When a Supplier Party populates data fields under Paragraph 8.4 which are described in Appendix 2 as 'mandatory' (rather than 'preferred'), or populates data fields under Paragraph 8.5, (regardless of whether they are described in Appendix 2 as 'preferred' or 'mandatory' data fields must be populated);~~ whereas, in the case of 'conditional' data fields ~~then,~~ the Supplier Party:

- (a) must use all reasonable endeavours to provide the data it holds in respect of those data fields (but need not provide the data where it does not hold the required data in a readily accessible and extractable electronic format);
- (b) must, where the Supplier Party does not hold the required data in a readily accessible and extractable electronic format, use all reasonable endeavours to provide any comparable alternative data that the Supplier Party does hold in such format; and
- (c) is not otherwise obliged to provide the data.

8.4 ~~Not used.~~Between 30 June 2015 and 31 July 2015, each Supplier Party shall provide to the TRAS Service Provider (via the secure STS service agreed between that Supplier Party and the TRAS Service Provider) the Supplier Party's:

- ~~(a) Supplier Data File populated with the data for all the Metering Points for~~

~~which it is Registered as at 30 June 2015 or any subsequent date up to and including the date of the file's provision to the TRAS Service Provider; and~~

~~(b) — Outcome File populated with investigation data covering the 24 months to 1 June 2015.~~
