

**DCP 190 Legal Text**

**Amend paragraph 1.33 of Section 1, Schedule 22 as follows:**

**Recovered Equipment and Deferment of Asset Replacement**

- 1.33 Normally, you will not receive any credit for the value of any equipment recovered by us as a result of the connection. However, where a Temporary Connection is to be Disconnected, we will determine the value of recovered equipment that we can subsequently reuse (net of depreciation and removal and refurbishment costs). Where there is a net value in the recovered equipment that can be reused, we will pay you the amount of such net value subject to a de minimus level as specified in section 6.
