<b>PARTY</b>	<b>SOLUTION (A / R)</b>	<b>IMPLEMENTATION DATE (A/R)</b>	<b>COMMENTS</b>
<b>DNO PARTIES</b>			
<b>UKPN - Eastern Power Networks</b>	Accept	Reject	<p>We agree that this change better facilitates General Objective 4. 'The promotion of efficiency in the implementation and administration of this Agreement'.</p> <p>However, on reflection, as regards the implementation date, we are concerned with the interaction of this change with DCP124.</p> <p>If DCP124 is accepted it would be preferable to introduce this change (version numbered appropriately) into the NTC concurrently with the resulting changes to the NTC from DCP124. This would minimise the number of NTC versions.</p> <p>If DCP124 is rejected, then this change could be introduced into the NTC in isolation.</p> <p>We suggest the implementation date is set to either the release that incorporates Ofgem's approval of DCP124 or the next release following Ofgem's rejection of DCP124.</p>
