

DCP 164: Proposed Amendments to DCUSA

Add the following text to the DCUSA Definitions (Section 1A):

Pre-release Model A model made available by the DCUSA Panel prior to a published model, which incorporates approved changes not yet implemented

Add the following text to DCUSA Section 1C:

Change Proposals Affecting Schedule 16, Schedule 17, and Schedule 18 Models

- 14.10 Change Proposals with Authority approval 150 days prior to the publication date of final charges and an Implementation Date of the following April will be included in the model(s) released to apply for that April. Any Change Proposals that receive Authority approval less than 150 days prior to the final charges publication date will not be included in the model(s) released to apply from the following April unless the Panel is directed to do so by the Authority under 14.12.
- 14.11 DNO Parties will use the pre-release model(s) that is available a minimum of 90 days prior to the publication date of final charges, as provided by the DCUSA Panel.
- 14.12 The time scales in Clauses 14.10 and 14.11 may be amended under the direction of the Authority.
