Change Proposal Intent
<i>Please set out the intent of the CP and the issue it is seeking to address</i>
<p>DCP 065 'Impact of any licence changes as a consequence of DPCR 5' was approved by Parties on 28 July 2010 and is scheduled for implementation on 06 September 2010 (subject to Authority Consent).</p> <p>Although all Parties voted to accept DCP 065 a number of Parties provided comments with their votes indicating that the term 'Relevant Year' should be replaced with 'Regulatory Year'.</p> <p>DCUSA Legal Counsel has confirmed that the changes identified by those Parties are correct and that the drafting requires revising. However, the DCUSA does not allow the legal drafting for a CP to be amended</p>

once it has been voted on by Parties.

Ofgem has indicated that it is minded to accept DCP 065 subject to the drafting errors being addressed.

This CP therefore seeks to raise a change to be implemented alongside DCP 065 to address the matter identified. The scope of the proposal is limited to the instances where 'Relevant Year' appears in DCP 065 where it should change to 'Regulatory Year'.
