Condition 36C of its Distribution Licence; and

- (d) the statement prepared by a Company and for the time being in force pursuant to Condition 48 of its Distribution Licence in relation to charges in respect of losses incurred by a supplier in complying with a last resort supply direction (as described in the Distribution Licence).

SECTION 2A – COMPANY / USER RELATIONSHIPS

18.2.2 the Company receiving confirmation that an ~~an Accredited-Qualified~~ Meter Operator, ~~Accredited-Qualified~~ Data Collector and ~~Accredited-Qualified~~ Data Aggregator (where that Exit Point or Entry Point relates to a Metering Point) or an ~~an Accredited-Qualified~~ Meter Operator Agent (where that Exit Point or Entry Point relates to a Metering System) have been appointed (except that no Meter Operator is required to be appointed in relation to an Unmetered Supply);

.....

18.3.5 the User being party to agreements with the Company or a third party for provision of the services of (i) ~~basic~~ meter asset provision and (ii) ~~basic~~ meter operation ~~(within the meaning given to those terms in Condition 36 of the Distribution Licence)~~. In the event that the User is not a party to such agreements, the Company shall be entitled to provide such services and to pass on to and recover from the User the costs of so doing.

.....

19.2 The charges to which ~~this~~ Clause 19.1 refers shall be deemed to include:

19.2.1 charges (**Use of System Charges**) for the following services provided by the Company to the User under this Section 2A, that is to say: (i) the provision of Use of Distribution System, (ii) the provision of MPAS, (iii) (where applicable) the ~~provision service of Legacy Basic Metering Services Asset Provision~~, (iv) the provision of data transfer services, and (v) (where applicable) the provision of last resort supply payments (all pursuant to the Company's obligations under, respectively, Condition 4D, Condition 14, Condition 36, Condition 36A, and Condition 48 of its Distribution Licence); and

Comment [w1]: Housekeeping change 007 – delete this word to correct the error. (This clause is 19.2 and should refer to Clause 19.1)

Comment [w2]: This will form part of the new 19.2.2 should DCP009 be implemented.
