

**DCP 357 ‘Sharing theft data between the TRAS and ELEXON’**

**Draft Legal Text**

**Insert a new Paragraph 10 (after Paragraph 9) in Schedule 25 as follows:**

**10 Theft Investigation Sharing with the BSCCo**

- 10.1 The Panel shall ensure that the TRAS Service Provider provides to the BSCCo (subject to Paragraph 10.4) all of the data items from the residential and commercial Outcome Files (such data items collectively referred to in this Paragraph 10 as the “**Theft Investigations Report**”).
- 10.2 The Panel shall ensure that the TRAS Service Provider provides a Theft Investigations Report on a monthly basis in accordance with the Theft Risk Assessment Service Arrangements.
- 10.3 The Panel shall ensure that the TRAS Service Provider uses an encrypted method to provide the Theft Investigations Report to the BSCCo, using such method as the TRAS Service Provider and the BSCCo agree (each acting reasonably).
- 10.4 The Working Group that oversees the Theft Risk Assessment Service Arrangements shall perform an annual review of the data on Theft of Electricity (as shared between the TRAS Service Provider and the BSCCo) to ensure that, in the following year, only relevant data items are submitted to the BSCCo. The BSCCo shall, for this purpose, provide to the Working Group an up-to-date privacy impact assessment to ensure that appropriate data security processes are in place.
