

**DCUSA CP 376 – Provision of Customer Residual Charging Bands to Suppliers**

**Draft Legal Text**

**Insert a new paragraph 2.5 in Schedule 32 as follows:**

2.5 On or before 31 December 2020, each DNO/IDNO Party shall provide each Supplier Party with a list of each and every MPAN associated with a Non-Domestic Premises that is connected to the DNO/IDNO Party's Distribution System, identifying the charging band to which each such MPAN has been allocated, the LLFC Id which is assigned to the MPAN, and the provisional LLFC Id which will be assigned to the MPAN with effect from 1 April 2022.

**Amend paragraph 3.5 in Schedule 32 as follows:**

3.5 On or before 30 June following the 31 March referred to in Paragraph 3.1, each DNO/IDNO Party shall provide each Supplier Party with a list of each and every MPAN associated with a Non-Domestic Premises that is connected to the DNO/IDNO Party's Distribution System~~for which that Supplier Party is (at or around the time the list is provided) the Registrant~~, identifying the charging band to which each such MPAN has been allocated (in accordance with the allocation rules in Paragraph 4).

**Add the following new definition to Paragraph 8 of Schedule 32**

<u>LLFC Id</u>	<u>has the meaning given in the MRA to the expression 'Line Loss Factor Class Id'.</u>
