## 1 Summary

### What?

- 1.1 As part of the transition of Theft obligations from the DCUSA to the new Retail Energy Code (REC) a 14-month Theft Detection Incentive Scheme Incentive Scheme was proposed for the 2021-22 period, running from 01 February 2021 to 31 March 2022. This 14-month period was adopted following Authority approval of DCP 368 being granted on 7 July 2020.
- 1.2 Subsequent to DCP 368 being implemented, the REC Schedule drafting has described a 2021-22 Scheme Year commencing on 01 April 2021 and running for 12 months.

### Why?

- 1.3 The Retail Code Consolidation (RCC) Significant Code Review (SCR) is expected to be implemented on 01 September 2021. As part of go-live, theft provisions that are currently administered through the DCUSA will migrate to the REC between 01 April 2021 and 01 September 2021. Obligations relating to

the Electricity Theft Incentive Scheme (ETDIS) will transfer from DCUSA Schedule 30 to the REC Theft Reduction Schedule from 01 April 2021.

- 1.4 Parties may act in good faith adhering to the DCUSA obligations, providing details of Confirmed Thefts identified in February and March 2021, and these Confirmed Thefts may not be deemed eligible for the ETDIS Scheme Year when the Scheme ends and is discharged by RECCo.
- 1.5 This difference in dates between the DCUSA Schedule and the REC Schedule was presented to the Theft Steering Group (TSG) on 02 February 2021. The TSG reviewed the available options for resolving the mismatch. They noted that the REC will be the party that oversees the settlement of the 2021-22 Scheme, issuing credits and debits based upon the Scheme as set out in the later REC drafting.
- 1.6 A Change Proposal to amend the DCUSA Schedule will allow parties the opportunity to provide feedback on an amendment to the DCUSA Code drafting that could have material impact. TSG directed the Code Administrator to support the progress of such a Change Proposal.

## How?

- 1.7 DCUSA Schedule 30 will be amended to reflect the change. Here is a summary,
  - Paragraph 1.3.b amended to reflect Scheme Year 4 lasting 12 months rather than 14, and commencing on 01 April 2021 instead of 01 February 2021;
  - Paragraph 3.7B amended the total Confirmed Theft detection Scheme Targets, reducing Residential and I&C targets proportionate to a 12-month Scheme Year;
  - Paragraph 5.3 amended to reflect the revised incentive pot values; and
  - Replace to the table in the Schedule Appendix to reflect no scheme running in February and March 2021, and the removal of TRAS after 01 April 2021.
- 1.8 Full details of the proposed changes can be found within the attachment to this DCP.

  - Progressed to the Change Report phase.
