## 1. Administration

### Recording

The purpose of this recording is purely to aid the Technical Secretariat in producing an accurate report of the meeting. The recording will be deleted after 15 Working Days.

### Apologies

- 1.2 No apologies were received ahead of the meeting.

## Competition Law Guidance and Terms of Reference

- 1.3 The Working Group reviewed the “Competition Law Guidance”. All Working Group members agreed to be bound by the Competition Law Guidance for the duration of the meeting.

- Attendee Table - Amend EC’s Company to ‘SSEN’.
  - Section 4.1 – Amend ‘12 months’ to ‘13 months’.
  - Section 4.3 – Amend to ‘PCFM licence change’ to add clarity.
  - Section 4.4 – Amend to ‘PCFM consultation’ to add clarity.
- 1.5 The group agreed with these amendments. An updated version of the minutes is included as **Attachment 1**.
- 1.6 ED questioned whether CMP 244<sup>1</sup> was discussed at the previous meeting and suggested that if so, a reference is added to Section 4.12.
- 1.7 The Secretariat agreed to check the meeting recording and to add this to the minutes if necessary.

Action 02/01 – Secretariat to check recording of previous meeting for references to CMP 244 and add to minutes if necessary.

## Action Log

- 1.8 The Action Log can be found in the Appendix.
- 1.9 Regarding Action 01/01, KB advised that she had spoken to Lee Wells who confirmed that concerns were raised during the PCFM consultation however that there is no documentation. KB confirmed that consultation responses are available online but are difficult to search through as they are published separately.
- 1.10 The Proposer suggested that these are no longer relevant anyway as there is a current issue that the change seeks to address. ED noted that they were keen to understand Ofgem’s reasoning for going ahead with the 15 months notice period in the PCFM licence change considering the impact it would have. The group agreed to close the action.
- 1.11 Regarding Action 01/02, the Chair confirmed that this was complete, and that the information had been added to the consultation. The group agreed to close the action.
