Nature of Issue	
<p>It was agreed at the June panel meeting that a CP is required to review and update the items in the housekeeping log, bar the P2 item as that item will require further attention (housekeeping item 116). The secretariat would like to discuss these items and see if a sponsor to raise a CP to update these items can be found and if not, hold a vote to establish if the SIG will approve a CP being raised by the secretariat.</p>
