

## Ethical Power ECR Change Request Notice – DCUSA Party Comments

Date Received	Company	Comments
24/11/2025	UKPN	<p>Please find below comments on the Ethical Power change request</p> <ul style="list-style-type: none"><li>• A unique identifier for every entry within the ECR that distinguishes each entry uniquely rather than use site name</li></ul> <p>We support the use/inclusion of a unique identifier provided that each DNO is able to use/generate its own identifier rather than a particular format being specified.</p> <ul style="list-style-type: none"><li>• Site name/coordinates</li></ul> <p>We agree that site name and coordinates should be accurately captured/recorded. Some entries are legacy projects where the site name and or coordinates were not provided either at all or in an agreed format and possibly at a time when DNO systems did not have provision for capturing such data. In addition site names often change throughout the life of the project or if/when projects are novated. We strive to ensure the data we publish is accurate of course.</p>
