Accession Applications

This paper puts forward any new Accession Applications for consideration by the Panel in accordance with Clause 4 of the DCUSA.

1. ACCESSION PROCESS

- 1.1 In accordance with Clause 4 of the DCUSA, the Panel is asked to consider the Accession Application submitted. The Panel may only reject an application if it considers that an Applicant has no reasonable prospect of satisfying the relevant conditions precedent set out in Clause 16 and/or 37 of the DCUSA.
- 1.2 If an application is accepted, the Panel is required to:
 - notify each Party and the Authority of the Applicant identity, the information that will become its Party Details, and to prepare an Accession Agreement for the Applicant; and
 - make a recommendation to the Board that, upon receipt of the Accession Agreement duly executed by the Applicant, it executes the Accession Agreement on behalf of all Parties.

2. ACCESSION APPLICATIONS RECEIVED

- 2.1 The Secretariat notes that between the previous Panel meeting and the drafting of this paper, two new Accession Applications have been received.

Applicant/s	Party Category	Date of Licence/ REC Accreditation	MPID	Contract Manager
Evolve Home Energy Solutions Limited	Safe Isolation Provider (SIP)	15 January 2026	EHES	David Bowring
24-7 Electrical Services Yorkshire Limited	Safe Isolation Provider (SIP)	17 December 2025	TFSE	Christopher Pearson

2.2 The Secretariat notes that the provided MPID for all applications have been confirmed against the contents of MDD or bilaterally with the MDD Coordinator.

2.3 The Panel should note the below points with respect to the progress of the above SIP Applications, in respect of their completion of REC's Business Solution Assessments and Testing, as provided by the REC Code Manager:

- Evolve has received its Confirmation of Qualification (conditional on DCUSA accession);
- Electrical Services Yorkshire has completed the REC required assessments, however, we are still awaiting confirmation of their Metering Audit (which is expected at some point next week). Once this has been confirmed as completed with no non-conformances we will then put 24-7 forward for Internal Approval and send through the necessary notifications once approved.
