

Option	Already Connected	Contracted but not yet connected			Not yet contracted
		Gate 2 Offer Accepted	Gate 2 Offer Issued But Not Yet Accepted	Gate 2 Offer Not Yet Issued	
1.1 No transmission costs passed through to distribution connecting customers	No change/ <i>retrospectively</i>	Distribution variation to remove charges (if any)	Allow offer to be accepted and revise later	No new costs in offer	No costs in new offer
1.1 No transmission costs & passed through to 1.4 distribution connecting customers, <i>with a High-Cost Project Threshold</i>	No change/ retrospectivity	If under HCPT, as above (1.1) If over HCPT, no change	If under HCPT, as above (1.1) If over HCPT, no change	If under HCPT, as above (1.1) If over HCPT, no change	If under HCPT, as above (1.1) If over HCPT, charged in full
1.2 No transmission costs passed through to individual distribution connectees unless the GSP is to feed one customer	No change/ retrospectivity	Distribution variation to remove charges (if any, not a single customer GSP)	Allow offer to be accepted and revise later (not a single customer GSP)	No new costs in offer unless it is a single customer GSP	No new costs in offer unless it is a single customer GSP
1.2 No transmission costs & passed through to 1.4 individual distribution connectees unless the GSP is to feed one customer, <i>with a High-Cost Project Threshold</i>	No change/ retrospectivity	If under HCPT, as above (1.2) If over HCPT, no change	If under HCPT, as above (1.2) If over HCPT, no change	If under HCPT, as above (1.2) If over HCPT, no change	If under HCPT, as above (1.2) If over HCPT, charged in full

Option	Already Connected	Contracted but not yet connected			Not yet contracted
		Gate 2 Offer Accepted	Gate 2 Offer Issued But Not Accepted	Gate 2 Offer Not Yet Issued	
2.1 Cost apportionment	No change/ retrospectivity	Distribution variation to CAF charges (if any charges levied in the original offer)	Allow offer to be accepted and revise later	CAF charges in offer (if any charges levied in the original offer)	CAF charges in offer
2.1 Cost apportionment,	No change/ retrospectivity	If under HCPT, as above (2.1)	If under HCPT, as above (2.1)	If under HCPT, as above (2.1)	If under HCPT, CAF charges in offer

& 2.4 <i>with a High-Cost Project Threshold</i>		If over HCPT, no change	If over HCPT, no change	If over HCPT, no change	If over HCPT, charged in full
2.2 Cost apportionment with applicability criteria based on capacity	No change/retrospectivity	Distribution variation to CAF charges (if any)	Allow offer to be accepted and revise later	CAF charges in offer (if any charges levied in the original offer)	CAF charges in offer
2.2 & 2.4 Cost apportionment with applicability criteria based on capacity, <i>with a High-Cost Project Threshold</i>	No change/retrospectivity	If under HCPT, as above (2.2) If over HCPT, no change	If under HCPT, as above (2.2) If over HCPT, no change	If under HCPT, as above (2.2) If over HCPT, no change	If under HCPT, CAF charges in offer If over HCPT, charged in full

Option	Proposed Implementation Date	Already Connected	Contracted but not yet connected			Not yet contracted
			Gate 2 Offer Accepted	Gate 2 Offer Issued But Not Accepted	Gate 2 Offer Not Yet Issued	
3.1 DNO parties apply a consistent locational signal – no DUoS impact	1 st April 28 (ED3)	No change/ retrospectivity	Not applicable	Not applicable	Not applicable	Applications received after the implementation date would have full costs in offers
