| <b>Confirmation of being a BSC Party and Date of becoming a BSC Party</b><br>(CVA Registrants only)                                      | YES <input type="checkbox"/>   NO <input type="checkbox"/>   [Click Or Tap To Enter A Date] |
| <b>BSC Party ID</b><br>(CVA Registrants only)                                                                                            | [Insert BSC Party ID]                                                                       |
| <b>Confirmation of REC Accreditation</b><br>(SIP applicants only)                                                                        | YES                                                                                         |
| <b>Date of REC Accreditation</b><br>(SIP applicants only)                                                                                | 23/02/2026                                                                                  |

<sup>1</sup> A Market Domain ID is also known as a Market Participant ID (MPID) which is a 4 letter identifier held in Market Domain Data (MDD) in pre-MHHS arrangements and in Industry Standing Data (ISD) post-MHHS arrangements, both of which are the central repository of reference data used by Suppliers (and their agents) and DNOs/IDNOs in the retail electricity market. MDD/ISD are managed by Elexon. MPIDs will be associated with one or more Role Codes indicating which industry roles a company undertakes.

<sup>2</sup> A DIP ID is a unique ten-digit number generated by the DIP during the DIP On-boarding process used to identify DIP Users that are not DIP Connection Providers (DCPs) when routing Messages and publications.

<sup>3</sup> This should be a contact telephone number that is reachable 24 hours a day which will be used by a distributor to contact you in the event of a significant network issue.
