

SCHEDULE 1 – COVER

1. PROVISION OF COVER

Forms of Collateral

1.1 The User shall deliver to the Company one or more of the following forms of Collateral such that the aggregate value of such Collateral is equal to or greater than the sum notified to the User by the Company as the User's Value at Risk to the extent that it exceeds the User's Credit Allowance:

- (a) a Letter of Credit or equivalent bank guarantee (available for an initial period of not less than six months);
- (b) an Escrow Account Deposit;
- (c) a Cash Deposit; or
- (d) any other form of Collateral as agreed between the Company and the User from time to time, including but not limited to performance bonds, bilateral insurance, and independent security. The Company may rate the effectiveness of such Collateral as being between 0% and 100%. Where the effectiveness of such Collateral is rated as less than 100%, its contribution to the aggregate level of Cover provided shall be reduced accordingly.

1.2 Any dispute raised by the User or the Company on the form of Collateral provided under Paragraph 1.1(d) or on the rating of any such Collateral shall be dealt with under Paragraph 8. Any requirement for payment to be made under such Collateral shall be dealt with in accordance with Paragraph 4.

Maintenance of Cover

1.3 The User may increase the value of Collateral provided or provide additional forms of Collateral at any time during the term of this Agreement.

1.4 Where:

- (a) there is any reduction in the amount of Collateral provided by the User as Cover; or
- (b) the Company makes a demand against such Collateral following a Payment Default by the User,

the User shall provide additional Collateral to ensure that the Indebtedness Ratio is equal to or lower than the Indebtedness Ratio Limit according to the provisions of this Schedule.

2. CALCULATION OF COVER

2.1 For the duration of this Schedule's application, the Company shall calculate and maintain a record of each of the following values with respect to the User, that is to say:

- (a) the User's Value at Risk;
- (b) the User's Credit Allowance; and
- (c) the User's Indebtedness Ratio,

in such manner as will enable the Company, upon request by the User, to provide a written and up-to-date statement of such values without delay.

The User's Value at Risk

2.2 At any time, the User's Value at Risk shall be the aggregate of:

- (a) billed but unpaid Charges which are not currently subject to a Designated Dispute (as defined in Schedule 4) and which have been billed to the User according to an established billing cycle operated by the Company pursuant to this Agreement;

plus
- (b) the Fifteen Days' Value, which shall be the estimated value of the Charges that would be incurred by the User for a further 15 days from that time, based on the average daily Charges billed to the User (whether under this Agreement or any use of system agreement applying between the User and

the Company immediately before this Agreement became effective) using the latest available bill raised in respect of a full calendar month (or a number of days that approximates to a full calendar month), according to the established billing cycle operated by the Company;

less

- (c) any credit notes and any amounts paid to the Company by the User in the form of a Prepayment or an Advance Payment.

The User's Credit Allowance

2.3 The User's Credit Allowance (CA here below) shall be calculated according to the following formula:

$$CA = RAV \times 2\% \times CAF$$

where:

RAV is calculated for each Regulatory Year in accordance with the formula set out below (or, where no price control financial model is published in relation to the Company, shall be a value to be determined by the Authority as a suitable replacement following consultation with the Company):

$$RAV = RAV_{2020-21} \times PI_{May-23} \times CPIH$$

where:

$RAV_{2020-21}$ = the Company's *Opening RAV (after transfers)* for the Regulatory Year prior to that in which RAV is effective from the *Return&RAV* worksheet of the price control financial model published by the Company (in support of a variation to Use of System Charges) prior to the Regulatory Year in which RAV is effective, in 2020-21 prices;

PI_{May-23} = 1.273 (which inflates 2020/21 prices to May-23, using RPI up to Mar-23, the spliced RPI:CPIH for Apr-23 and CPIH for May-23).

For clarity, 1.273 is the movement in “PI_m” in Column N of the PCFM *Monthly Inflation* worksheet, from the average RPI for 2020/21 of 294.167 (i.e. the average of the 12 monthly values) up to the May-23 spliced index value of 374.493 in Column N of the PCFM *Monthly Inflation* worksheet); and

$$\text{CPIH} = \text{CPIH}_{n-1} / 129.1.$$

For which purposes, CPIH_{n-1} = the arithmetic average of the Office for National Statistics CPIH INDEX 00: ALL ITEMS 2015=100, published with respect to the months of December and January most recently preceding the start of the Regulatory Year to which RAV is to apply.

For clarity, 129.1 is the CPIH index factor for May-23 from the series L522 for mm23 (*CPIH INDEX 00: ALL ITEMS 2015=100 - Office for National Statistics*).

CAF is the Credit Allowance Factor (which is to be expressed as a percentage determined pursuant to Paragraph 2.4 or 2.5). For clarity, until a percentage has been determined for a User pursuant to Paragraph 2.4 or 2.5, its CAF shall be zero.

- 2.4 Where the User has a Credit Rating from an Approved Credit Referencing Agency that is Ba3/BB– or above, CAF shall be determined according to the following table. For the purposes of this Schedule, and subject to evidence to the contrary, all IDNO Parties shall be deemed to have a rating of Baa3 / BBB–.

Credit Rating		CAF (%)
Moody's	Standard and Poor's	
Aaa to Aa2	AAA to AA	100
Aa3 to A3	AA– to A–	40
Baa1	BBB+	20
Baa2	BBB	19

Baa3	BBB–	18
Ba1	BB+	17
Ba2	BB	16
Ba3	BB–	15

2.5 Where the User does not have a Credit Rating from an Approved Credit Referencing Agency that is Ba3 / BB– or above, CAF shall be determined as follows:

- (a) where there is, at the time of such determination, an Independent Credit Assessment that was carried out within the preceding 12 months and the User has not requested that the Company use the User's Payment Record Factor, CAF shall be determined by reference to the Independent Credit Assessment provided pursuant to Paragraph 2.6 or procured pursuant to Paragraph 2.7 (and, in either case, in accordance with the table set out at Paragraph 2.10);
- (b) where the User has requested that the Company use the User's Payment Record Factor or there is not, at the time of such determination, an Independent Credit Assessment that was carried out within the preceding 12 months, CAF shall (unless the Company opts to apply sub-paragraph (c) below) equal the Payment Record Factor (which shall be determined in accordance with the provisions of Paragraphs 2.12 to 2.15); or
- (c) where the Company has used the User's Payment Record Factor for a period of 60 months or more (and the User does not, when notified by the Company, opt to provide an Independent Credit Assessment pursuant to Paragraph 2.6 or request the Company to procure an Independent Credit Assessment pursuant to Paragraph 2.7), then the Company may (at its discretion) opt to use an Independent Credit Assessment and notify the User it has done so (in which case Paragraphs 2.8 to 2.10 shall apply).

Credit Assessment Score

- 2.6 For the purposes of determining CAF pursuant to Paragraph 2.5(a), the User may, no more than once a year, provide to the Company an Independent Credit Assessment from a Recognised Credit Assessment Agency chosen by the User.
- 2.7 As an alternative means of determining CAF pursuant to Paragraph 2.5(a), the User may, no more than once a year, request that the Company obtains an Independent Credit Assessment from a Recognised Credit Assessment Agency chosen by the Company. In which case, as soon as reasonably practicable following such request (or within such other period as the Company and the User may agree), the Company shall procure from that Recognised Credit Assessment Agency (and shall provide to the User) a credit assessment of the User.
- 2.8 Where the Recognised Credit Assessment Agency that is used is listed in the table below, and it undertakes an assessment on the basis of one of its credit assessment products listed below, the results of such assessment will give rise to the corresponding Credit Assessment Score set out below:

Credit Assessment Score	Equivalence of the Credit Assessment Score to credit scores provided by Recognised Credit Assessment Agencies in their Independent Credit Assessments.

2.9 Where the Recognised Credit Assessment Agency that is used is not listed in Paragraph 2.8 (or where the credit assessment product is not listed in Paragraph 2.8), the Company shall (acting reasonably) determine the applicable Credit Assessment Score on an equivalent basis to that set out in Paragraph 2.8.

2.10 Where the value of CAF is to be determined in accordance with Paragraph 2.5(a) or 2.5(c), the value of CAF shall be that which corresponds in the following table to the Credit Assessment Score set out below.

Additional Credit Assessment

2.11 During the 12-month period following completion of an annual Independent Credit Assessment pursuant to Paragraph 2.6, the User may request that the Company procure further Independent Credit Assessments for the purpose of requiring the Company to recalculate the User's Credit Allowance. Where the User so requests, Paragraphs 2.7 to 2.10 shall apply (provided that, where the Company so requests, the User shall pay the Company's reasonable costs in procuring such Independent Credit Assessments).

Payment Record Factor

2.12 Where the User's Payment Record Factor is to be used to determine the Credit Allowance Factor in accordance with Paragraph 2.5(b), the Credit Allowance Factor shall equal the value of the Payment Record Factor determined in accordance with Paragraphs 2.13 to 2.15.

2.13 With effect from 29 June 2023, the Payment Record Factor shall equal the number of months since the Good Payment Performance Start Date (as specified in Paragraph 2.14) multiplied by 0.033% (that is to say, by 0.4% per annum), subject to the following provisos and caps:

- (a) during the first 36 months from the first relevant account (as referred to in Paragraph 2.14(a) or 2.14(b), as applicable to the User), the Payment Record Factor shall be capped at a maximum value of 1.2% (i.e. the maximum which could be earned in that period);
- (b) during months 37 to 48 (inclusive) following such first relevant account, the Payment Record Factor shall be capped at a maximum value of 0.7%;
- (c) during months 49 to 60 (inclusive) following such first relevant account, the Payment Record Factor shall be capped at a maximum value of 0.4%;
- (d) from and including the 61st month following such first relevant account, the Payment Record Factor shall always be zero; and
- (e) on each occasion that the User fails to pay any Charges on or before the date by which such payment is required to be made under this Agreement (but for which the delay in payment is not so great as to create a new Good Payment Performance Start Date under Paragraph 2.14(c)), the Payment Record Factor that would otherwise apply shall be reduced as follows:

Age of debt past payment date when settled (Working Days)	Value of late payment as a percentage of total Charges invoiced in the same month	Reduction to Payment Record Factor
1 to 3	<25%	Loss of 25% of previously accrued good payment performance
	≥25% and <75%	Loss of 50% of previously accrued good payment performance
	≥75%	Loss of 100% of previously accrued good payment performance

2.13A The Company shall give the User notice of any adverse change in the calculation of its Payment Record Factor under Paragraph 2.13.

2.13B It is acknowledged that the User's first relevant account (as referred to in Paragraph 2.14(a) or 2.14(b), as applicable to the User) may have been before 29 June 2023, and furthermore that it might have been more than 60 months before 29 June 2023 (such that the User's Payment Record Factor shall always be zero from 29 June 2023).

2.14 The Good Payment Performance Start Date shall:

- (a) for Users under Section 2A, initially, be the date of the earliest of the first Initial Account, the first Reconciliation Account, or the first account issued pursuant to Clause 21 (each a **relevant account**);
- (b) for Users under Section 2B, initially, be the date of the earliest of the first account issued pursuant to Clause 44 or 45 (each a **relevant account**); and
- (c) for all Users, where the User fails (or has failed) on any occasion to pay any Charges on or before the applicable payment date required by this Agreement (and does not remedy that failure within 3 Working Days such that Paragraph 2.13(e) applies), be the date on which a relevant account is submitted in a month subsequent to the month in which such payment failure is remedied (unless, having regard to all the circumstances, including in particular the value, duration, and frequency of failure, the Company reasonably determines an earlier date).

2.15 Where any unpaid disputed invoice is found to have been disputed without merit, a failure to have paid the relevant account in accordance with the terms of this Agreement shall be treated as a failed payment and the provisions of Paragraph 2.14(c) shall apply accordingly.

The User's Indebtedness Ratio

2.16 The Credit Limit for the User shall equal the Credit Allowance plus the aggregate value of the Collateral provided on any day.

2.17 The Indebtedness Ratio for the User shall equal the Value at Risk as a percentage of the Credit Limit.

2.18 If, on any day, the User's Indebtedness Ratio equals or is greater than 85% of the User's Indebtedness Ratio Limit, the Company shall give notice of this to the User.

Credit Allowance Where Credit Support is Provided by a Third Party

- 2.19 Where credit support is provided for the User through a Qualifying Guarantee by a third party (the **Credit Support Provider**), the maximum Credit Allowance assigned to the User shall be calculated in accordance with Paragraph 2.3, but substituting the Credit Support Provider for the User in all such calculations. Where the value of the Qualifying Guarantee is lower than the Credit Allowance calculated pursuant to Paragraph 2.3, the User's actual Credit Allowance shall be the maximum value of the Qualifying Guarantee.
- 2.20 Where a Credit Support Provider provides a Qualifying Guarantee for the User and for other users of the Company's Distribution System, the aggregate of all Qualifying Guarantees so offered shall not exceed the maximum Credit Allowance that could be determined for that Credit Support Provider pursuant to Paragraph 2.3.
- 2.21 Where the User disputes the Company's calculation of Value at Risk or the Credit Allowance, the provisions of Paragraph 8 of this Schedule shall apply.

3. **INCREASE OR DECREASE OF COVER REQUIREMENT**

3.1 The following provisions have effect in relation to cover requirements pursuant to the circumstances specified under the relevant headings in this Paragraph 3.

Increase in Cover Requirements Pursuant to a Change in the Value at Risk or Increase in the Indebtedness Ratio

3.2 If, on any Working Day, the User's Indebtedness Ratio equals or is greater than its Indebtedness Ratio Limit because of either (a) an increase in the User's Value at Risk; or (b) a decrease in the Credit Allowance Factor, then (in either) the Company shall give notice of this to the User on the following Working Day and the User shall take all appropriate action to ensure that its Indebtedness Ratio is equal to or below 80% within two Working Days of its receipt of such notice.

3.3 It shall be a Cover Default if the User fails to remedy a default under Paragraph 3.2 within the prescribed timescale.

3.4 Following a Cover Default under Paragraph 3.3, the User's Indebtedness Ratio Limit shall be decreased to 80% for one year following rectification of the default, after which time it shall be increased back to 100%.

Actions in Relation to Cover Default

3.5 In addition to any other remedies available to it, the Company shall be entitled to take the following actions following a Cover Default (provided that, where the provision of registration services or the right to make future connections under Section 2B (as applicable) has been suspended at any time after Day 0 + 5, then the Company must, as soon as the Cover Default has been remedied, reinstate the right to registration services or the right to make future connections under Section 2B (as applicable) in accordance with Clause 54.4B):

Working Days After Cover Default	Action Within the Company's Rights Under this Schedule
---	---

Day 0	Date of default
Day 0 + 1	Interest and administration fee start to apply.
Day 0 + 1	Issue notice of default to Contract Manager containing a statement of the Indebtedness Ratio and send a copy of such notice to the Authority.
Day 0 + 3	Formal User response required.
Section 2A	
Day 0 + 5	An Event of Default under Clause 54.1.1 is deemed to have occurred, and the Company may suspend registration services in accordance with Clause 54.2.1.
Section 2B	
Day 0 + 5	An Event of Default under Clause 54.1.1 is deemed to have occurred, and the Company may suspend the right to make any further connections to the Company's Distribution System in accordance with Clause 54.2.1.

Increase or Decrease in Cover Requirements Pursuant to a Change in the RAV

- 3.6 The Company shall give the User one month's written notice of its intention to use a new value of RAV to calculate the Credit Allowance according to Paragraph 2.3. Such notice shall state the new value of RAV and the date on which the Company will begin to use that value in such calculation.

Decrease in Cover Requirements

- 3.7 The User may by notice to the Company decrease the amount of Collateral at any time provided that such decrease would not cause the Indebtedness Ratio to exceed the Indebtedness Ratio Limit.
- 3.8 The Company shall, within two Working Days of its receipt of a notice from the User pursuant to Paragraph 3.7, undertake actions to facilitate the reduction, or the return to the User, of such Collateral.

Increase in Cover Requirements Because of the Expiry of a Letter of Credit

- 3.9 Not later than 10 Working Days before any outstanding Letter of Credit is due to expire, the User shall either procure to the satisfaction of the Company that it (or a suitable

replacement Letter of Credit which meets the Company's reasonable requirements) will be available for a further period of not less than six months, or provide an alternative form of Collateral as set out in Paragraph 1.1.

Release from Cover Obligations

- 3.10 Upon the User ceasing to be a Party to this Agreement, and once all the amounts owed by the User in respect of Charges and any other amount owed by the User to the Company under this Agreement have been duly and finally paid, including interest, the User shall be released from the obligation to maintain Cover in respect of the Company and the Company shall consent to the revocation of any outstanding Qualifying Guarantee or Letter of Credit, and the User shall be entitled to withdraw the balance (if any) (including interest credited thereto) outstanding to the credit of the User in the Escrow Account at the relevant date and to request the return or termination of any other form of Collateral provided.

4. USE OF COVER FOLLOWING PAYMENT DEFAULT

- 4.1 This Paragraph applies if, after 17:30 hours on any Payment Date, the Company has been notified by the User or otherwise has reason to believe that the User has not remitted to it by close of banking business on the Payment Date all or any part (the **amount in default**) of any amount which has been notified by the Company to the User as being payable by the User by way of the Charges on the relevant Payment Date, or any other amounts owing under this Agreement except for the disputed amount of a Designated Dispute (as defined in Schedule 4).
- 4.2 Where Paragraph 4.1 applies, a Payment Default exists and the Company shall (in addition to any other remedies available to it) be entitled to act in accordance with the following provisions (or whichever of them may apply) in the order in which they appear below until the Company is satisfied that the User has discharged its obligations in respect of Charges or such other amounts under this Agreement which are payable in respect of the relevant account:
- (a) the Company, to the extent that the User is entitled to receive payment from the Company pursuant to this Agreement (unless it reasonably believes that such set-off would be unlawful), shall be entitled to set off the amount of such entitlement against the amount in default;

- (b) the amount of funds then standing to the credit of the Escrow Account or the amount of any Cash Deposit (excluding any interest accrued thereon to the benefit of the User) shall be released to the Company and set off against the amounts unpaid by the User, and for that purpose the Company shall be entitled to place such funds in any account of the Company at its sole discretion and shall notify the User accordingly;
- (c) the Company may demand payment under any Letter of Credit for a sum not exceeding the amount of the Cover;
- (d) the Company may demand payment under any outstanding Qualifying Guarantee provided for the benefit of the User pursuant to Paragraph 2.19;
or
- (e) the Company may demand payment under any other form of Collateral provided under Paragraph 1.1(d) in the manner which the Company and the User have previously agreed as appropriate in relation to that particular form of Collateral or, in the absence of such agreement, in a manner which the Company (acting reasonably) considers appropriate in relation thereto.

5. UTILISATION OF FUNDS

5.1 In addition to the provisions of Paragraph 4, if an Event of Default occurs in respect of the User in accordance with Clause 54, the Company shall be entitled:

- (a) to demand payment of any of the Charges and any other amounts owed by the User under this Agreement which are outstanding, whether or not the Payment Date in respect of them has passed; and
- (b) to make demand under any outstanding Qualifying Guarantee or a call under any outstanding Letter of Credit supplied by the User,

and the funds in the Escrow Account to the extent that they represent Cover provided by the User shall be released to the Company and set off against the Charges and any other amount owed by the User under this Agreement that is unpaid by the User, and for that purpose the Company shall be entitled to place any such amount released to it from the Escrow Account to any account of the Company as in its sole discretion it thinks fit.

6. USER'S RIGHT TO WITHDRAW FUNDS

- 6.1 If the User is not in default in respect of any amount owed to the Company in respect of the Charges or any other amount owed by the User under this Agreement, the Company shall permit the release to the User, within two Working Days of receiving the User's written request for it, of any amount of cash provided by the User by way of Cover which exceeds the amount which the User is required to provide in accordance with this Schedule.
- 6.2 Interest on the amount deposited in an Escrow Account (at a rate to be agreed by the User with the bank at which such account is held) or on the amount of a Cash Deposit (at a rate to be agreed between the Company and the User) shall accrue for the benefit of the User.

7. NO SECURITY

- 7.1 Nothing in this Schedule shall be effective to create a charge on or any other form of security interest in any asset comprising part of the User's business.

8. DISPUTES

- 8.1 The Company and the User shall attempt to resolve in good faith any dispute that may arise under or in relation to the provisions of this Schedule.
- 8.2 Where any such dispute remains unresolved after 10 Working Days, either of the Company or the User may refer the matter to the Authority for determination as if it were a dispute falling within Condition 7 of the Company's Distribution Licence.
- 8.3 A determination by the Authority under this Paragraph 8 shall be final and binding.

9. NOTICES

- 9.1 Contact details for notices issued under this Schedule, and the form of such notices and the manner of their service, shall be as agreed between the Company and the User. Where no such agreement exists, the provisions of Clause 59 shall apply.
